ATMT MP3

To celebrate ATMT launching their MP170 DAB Player - we have one to give away!

With a diverse, yet complimentary portfolio of best-of-breed products, ATMT helps to create the most powerful products that respond to changing business in the fast pace changing world of technology.

The ATMT MP170 DAB MP3 Player incorporates full digital radio (DAB) as well as playing MP3 and WMA. It boasts 15 hours DAB play back with an astonishing 50 hours MP3 play back. Also built into this vibrant MP3 player is the favorite menu setting, band III Earphone Antenna, DRM 10 support along with time shifting capability.

The 3.7mm X 7.9mm X 2.9mm size compliments the MP3 player very well and it also has a frequency range of 20Hz-20 KHz.
